

Kootenai Thunder Sports, Inc.

Dear Parents and Players,

Kootenai Thunder is blessed that your child/children would like to participate in our sports program. Below and attached, please find the guidelines and requirements to participate.

1. A parent/child meeting with a board member may be necessary on a case-by-case basis.
2. A letter of recommendation from a pastor, youth leader, teacher, employer, former coach or an adult that the child has been associated with for more than six months (recommendation must come from non-family member) will be required **for players new to the program.**
3. Academic eligibility is required. Parents are responsible to monitor their child's progress at school (home or public). If your child is falling behind, we will support you in taking measures, including removing child from practices and games, to bring your child back up to a suitable place in their studies. Understand that removing them affects the entire team, so please make your child aware of that.
4. A copy of a recent physical examination by a medical practitioner will be required. This will be sufficient for two years.
5. Signed copies of the Player Standard of Conduct and (2) Liability Release forms will need to be agreed to and signed prior to participation.
6. The Player Standard of Conduct, practice and game requirements, dress code, and respect for the coaches, administration, referees and the other teams participating in the league must be adhered to throughout your child's time of participation in Kootenai Thunder Sports, Inc.
7. There is a fee for each player who participates. If there is more than one player per family, we will provide a discount for the additional players. Please see the enclosed Payment Policy letter for additional information.
8. Kootenai Thunder Sports, Inc. reserves the right to choose who may participate in our sports program. The final decisions about participation will be made by the board of directors.
9. We have two places where you can find information and schedules:
